

Agency: Commerce, Community and Economic Development**Grants to Unincorporated Communities (AS 37.05.317)****Grant Recipient: Igiugig****Project Title:****Igiugig - Excavator**

State Funding Requested: \$ 50,000
One-Time Need

House District: 36 - R

Brief Project Description:

The Igiugig Village Council is trying to acquire key pieces of heavy equipment to service and install community infrastructure

Funding Plan:

Total Cost of Project: \$80,000

	<u>Funding Secured</u>		<u>Other Pending Requests</u>		<u>Anticipated Future Need</u>	
	<i>Amount</i>	<i>FY</i>	<i>Amount</i>	<i>FY</i>	<i>Amount</i>	<i>FY</i>
Local Funds	\$30,000	08-09				
Total	\$30,000					

Detailed Project Description and Justification:

The IVC will purchase and ship a mini-excavator to our non-road accessible community. All village utilities (water, sewer, electric, phone) are buried, often to depths of ten feet (10') or more. Repairs and installations require large equipment rented and brought in from great distances at a large expense and for a short season for transportation. This key piece of equipment is crucial for maintenance of our municipal class III landfill and other infrastructure. Having this piece of equipment permanently in the village will allow for great cost savings as well as time.

Project Timeline:

Purchase and shipment will occur within three months of access to state funds. Community funds are available immediately

Entity Responsible for the Ongoing Operation and Maintenance of this Project:

The Igiugig Village Council

Grant Recipient Contact Information:

Contact Name: Daniel Robert Salmon
Phone Number: 907-533-3211
Address: PO Box 4008, Igiugig AK 99613

Has this project been through a public review process at the local level and is it a community priority? ☒ Yes ☐ No

LAKE & PENINSULA BOROUGH 2008 CIP List

Category "A" Priorities

Category A contains the Borough's highest priority Capital Improvement Projects. These are large regional projects. The completion of these projects will result in social and/or economic benefits for the State of Alaska, the Lake and Peninsula Borough, and/or a sub-region of the Lake and Peninsula Borough. These projects are listed below in alphabetical order. The Planning Commission has narrowed the list to 5 items in no particular order of priority.

- Addressing the Rural Energy Cost Crisis
- Barge Landing Facilities/Docks for Borough Communities
- Chignik Regional Transportation Needs (formerly Chignik Inter-Village Road / Chignik Inter-village Airport Master Plan, Chignik Public Dock, Chignik Small Boat Harbor)
- Iliamna-Nondalton Road
- Williamsport-Pile Bay Road (including port facilities)

*items not selected – 1) Inter-village Road – Pilot Point/Ugashik
2) Port Alsworth Public Airport, 3) Ugashik Bay Port Facility (Pilot Point).

Category "B" Priorities:

Category B contains the highest priority projects for each community within the Borough, as of January 2008. The Borough strongly supports and endorses all of them. However, as a matter of policy, the Borough does not attempt to prioritize them. The following is a listing of priority projects by community.

Chignik Bay (updated 12/17/2007 per Dick Sharpe)

- Regional dock
- Small boat harbor
- Airport extension, lighting, & resurfacing
- Local airport extension/improvements
- Emergency shelter
- Community hall
- Hydroelectric project
- Intertie of the village road.

Chignik Lake: (updated 1/03/05) (received no update)

- Emergency Services Building/Fire truck
- Community building
- Chignik inter-village road
- Community water storage tank

Chignik Lagoon: (updated 12/14/07)

- Funds to make airfield safer
- Packers Creek Bridge erosion control
- Inter-tie-village road/road to new land fill
- Clinic/Emergency Building/Clinic truck
- Tsunami shelter
- New Airport Construction

Egegik: (updated 12/13/2007) –

- City Dock Extension and erosion repair
- Landfill and cemetery fencing
- Airport paving
- Road Improvements

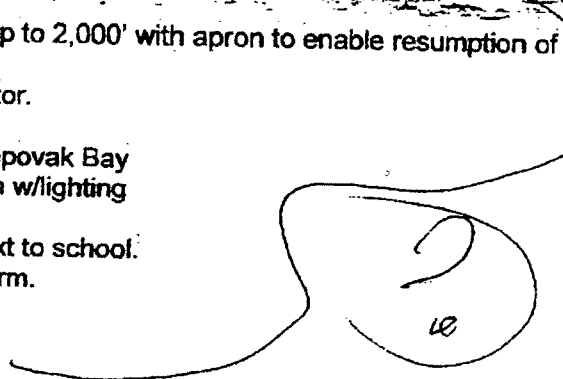

Igiugig: (updated December 21, 2007))

- New Clinic
- New Powerhouse
- Alternative Energy Source
- Dock/Harbor/Seaplane Base
- Runway Extension
- Excavator
- New Official U.S. Post Office
- Washateria Upgrades

Iliamna: (updated December 18, 2007)

- Community Center/Multi-purpose Center
